Wandsworth Artists' Open House is when local artists show and sell art work from their homes and studios. This year there are over 160 artists at 80 places throughout the borough. Visitors can expect to find a variety of works, from ceramics and jewellery, to paintings, screenprints and sculptures. Prices range from £5 to £5,000.

On the centre pages you will find a map, to make it easy to see where venues are located, and you can visit the Time & Leisure website, to browse an online directory of local artists and crafts people. We are grateful to Time & Leisure magazine for supporting the project.
