Climb the ladder to become the best!

Members register at reception providing contact details, so that members can contact on another to arrange matches. Parents/Guardians are responsible for arranging children's matches.

Members will rank themselves depending on their ability, with the more advanced players seeded towards the top of the ladder. A player can challenge another player within three places of themselves, i.e. a player who is ranked 4th can challenge those in 3rd, 2nd or 1st position.

All matches are required to be played at the Millennium Arena, and need to be booked by a member with a valid booking card. When booking, please inform the staff that the court is for a ladder match. Players can play as many matches as they like within the ladder period, however, one set in every match must be played using the 'tie-break' method.

If the challenger wins the match, they will take their opponents position on the ladder. The opponent will then move down a place, as will every player in between. If the challenger loses, the places remain the same. Prizes will be issued to whoever is top of the ladder at the end of the ladder period.

When claiming your court before the match, please ask for your match card. At the end of the game, complete and return the match card to reception, who will then update the ladder.
